Key Features & Benefits of the Business Edition

Outsourcing a voice-over project? Find exactly what you need at the price your company can afford by posting a job with the Voices.com Business Edition. The Business Edition gives you the ability to search for talent, post unlimited jobs, organize your favorite voice talent, and store up to 50 MB of audio. Receive toll-free telephone and email support. All Business Edition members' jobs are reviewed and approved within 24 hours.

USD\$19.95/month
